DESIGNER: Giovanni Bianchi, La Perla creative director

INSPIRATION: "We're totally connected with New York and the age of Film Noir."

WHO WAS THERE: Margherita Missoni, Amber Tamblyn, Tinsley Mortimer, Rachel Roy

TOP LOOKS: Pretty much everything in the main La Perla grouping, which was uber-glam.

:ACCESSORIES Goosebumps and some racy red lipstick.

WHAT WE THOUGHT: We may be divulging too much personal information, but who wears this stuff? They're all so lovely, but over the top. Perhaps we should strive for the kinds of lives that require lacey, racy lingerie.
