Jelena Jankovic takes on Stuart Weitzman in pingpong

Last Updated: 4:19 AM, September 3, 2010

Jelena Jankovic took a break after winning her US Open match Tuesday to play pingpong with **Stuart Weitzman** at his New York showroom. The fashion mogul, an avid pingpong player and tennis fan, invited her to hit with him before their big match to take place at his Madison Avenue store for Fashion's Night Out on Sept. 10. The money raised from sales that evening will go to **Ovarian Cancer** Research.
